Paula,

I didn't see an attachment to this email.

Cynthia – here are some edits on the web page. Let me know if you need more info. I'll pull some of the docs together and leave them on the I-drive in the Upper Animas folder in a sub-folder named something like – “documents for web page”

**Subject:** Web site test to print

Hi, again.

The document on the I:drive won't print correctly. Attached is one that will print, though it is wonky.
